Mr. Flynn introduced a draft of the Wastewater Regulations, Policy and Procedures Law. Motion by Mr. Martini 2nd Mr. Morris, to set a public hearing on this draft December 13, 2011 at 7:30 PM carried.

Motion by Mr. Martini 2nd Mr. Petersen authorizing the Supervisor to sign excavation permit with NYSEG for Town right of ways for the year 2012, carried.

The Planning Board is working on a moratorium on gas drilling (hydro fracking) and will present in upon completion to the Town Board for adoption.

Dave Bond Deputy Hwy Supt. Reported that Torrey 3 an Torrey 4 trucks were sent out for repair. Problems with electrical and sensors. All trucks are ready for plowing.

No report on code or watershed.

John Ghidiu inquired about attendance or lack of, by the Code Officer at town meetings. He asked this question at the October meeting when the code officer was absent again. John Martini apologized, he has not spoken with Ron Kenville on this to date.

Wayne LeShure of Route 14 appeared to inquire as to why his ditch was filled in years ago. The water has been redirected and is affecting his property. Years ago dirt was removed without his permission. He stated he is ready to sue. He is going to install larger culvert pipe. Why was the pipe installed allowed to drain on his property.

Mr. Flynn stated the Town will not pursue this complaint. Many years ago when this complaint was first heard, the Town performed work on this ditch to correct the problem. Following that roadside work Mr. LeShure signed a document acknowledging his full satisfaction with work performed by the town highway department at his property and on the road right away on Hewett Road. Mr. Flynn instructed Mr. LeShure not to excavate on the town right away.

Dave Bond speculates during the construction of the new route 14, the area of old state roadway had to be built up to redirect the natural flow of water runoff. The pipe under the roadway was placed to accommodate the new flow direction.

Mr. LeShure stated he would like to buy the Town pick up. He was told the truck must be sold by bids.

Town will advertise for sealed bids again for town pick up truck declared surplus, these bids will be opened at December 13th 2011 meeting. Minimum bid set at \$ 5,000.
Mr. Petersen will also advertise this truck on Ebay for bids.

Reminder to vote and also the Veterans Memorial Dedication on 11/11/11 at 11:00AM
At Grosvenor Square in the village. Assemblyman Philip Palmesano will be the guest speaker.

There being no further business before the board, Mr. Flynn made a motion to adjourn 2nd Mr. Martini, carried at 8:05PM

Respectfully submitted,
Betty Daggett- Town Clerk
