Ag Committee- No report

County PB – Dave Granzin has been reappointed by YC legislators.

Dwight James, Code Officer reported that no excavation at the Cheryl Lonie project on Perry Point, plans are still incomplete.

Linda presented annual report on planning board reviews and actions. Following a lengthy discussion, she noted changes And will make the edits. She wills send out revised copy to members.

Dwight James reported on illegal signs. He has contacted NYS DOT “TODS” and they will remove the sign placed on east side of Rte 14 near the town stone pile or he will write the business owners a letter to remove. The sign hanging on the grape row at Serenity Vineyards is advertising a website not owned by the Smiths. He will notify the Smith’s also.
Dwight read NYS law regarding signs along state highways.

Discussion on the edit changes needed for the Zoning Law, tentatively update code in September.

Comp Plan Review –Need to call a meeting.
