Yates County Planning Board did not have a quorum to review this application
Torrey Planning Board recommended approval of this application on 12/17/18.

Pete Chapman, owner of the 24' x 8' food trailer would like to attach it to an existing building at Climbing Bines. Has been in contact with NYS Dep.t of Health for regulations and permitting process. No additional restrooms are needed if the trailer remains mobile with clean out for septic.

Discussion on septic plans. Chris has been in contact with NYS DOH. He must submit engineered septic plans before a permanent kitchen is added.

It was decided by applicant that the food trailer will remain mobile for this year, no addition or attachment. The modification request to the Special Use Permit is to add food service only.

No one appeared to speak in favor or opposition of this application.

There being no further discussion by audience or board members, Chairman thanked all present and closed the public hearing at 7:16PM

Respectfully submitted,
Betty Daggett- Sec.
